Cat Photo Competition

CATegories

- *Caught in the Act*
We want to see pictures of your kitties mischief making! Playing, pouncing or pilfering - we want to see trouble causers!
- *Feline Friends*
We want to see pictures of happy felines together. Kittens cuddled, elderly mogs chilling out – we just want to see content cat companions.
N.B No other animals please, it's all about the kitties!
- *Who's Been Sleeping in My Bed?*
We want to see pictures of your cats sleeping in strange places or having stolen your bed!
- *Most Lion-Like*
We want to see pictures of your felines being big cats, or at least thinking that they are!
- *Out & About*
This category is all about your cat enjoying the great outdoors. Whether it be climbing trees, sunbathing or just doing what cats do best – exploring!
N.B We recommend not letting kittens outdoors until they are 6-8 months old, so no kittens younger than this please!
- *Menacing Moggies*
We want to see pictures of your felines looking distinctly disapproving.

The Winners

The winners of each category will receive a **rosette, certificate, cat safety buckle collar***, selection of **Christmas themed gifts** and **Dreamies advent calendar**.

*Elasticated collars are potentially extremely dangerous & we want to promote this safer alternative.

Best Overall Cat

The winners of each category will be entered into a **'Best Overall Cat'** category. The prize for the overall winner will be a custom made model of their cat by **Bettie's Pets** plus a selection of cat goodies. There is no alternative prize and the winner must be able to supply good photographic likenesses of their chosen cat to be represented in model form.
